–

Summer 2010

Lead Instructor and Health/Safety Coordinator

iD Tech Camps — Various Locations

Teaching students ages 7-17 in a fun and engaging classroom setting.

Coordinated outdoor activities and games, monitored dormitories, ensured the mental and physical health of all students. Lead teammates to create a safe and entertaining learning environment for 40-80 camp attendees. Courses taught included: 3D modeling and animation in Maya, web design in Flash and HTML, and Digital Photography and Photoshop.
